MEDIA RELEASE**PHARMANIAGA SOLUTIONS AWARDED RM20.3 MILLION PROJECT**

Pharmaniaga Berhad's wholly owned subsidiary and IT arm, Pharmaniaga Solutions Sdn Bhd (PSSB) had been appointed as the Main Contractor and Project Manager for the Global Information Hub on Integrated Medicine (Info Hub) project by the Malaysian Government through the Ministry Of Health. The contract is for a period of 2 years with a value of RM20.3 million.

The Info Hub is a central electronic database to assist medical and traditional medicine practitioners to work towards the practice of evidence-based Traditional and Complementary Medicine (T/CM). The Info Hub will include policies, current practice, research, trade, education, safety, conservation and intellectual property rights (IPR), pertinent to T/CM. This would ultimately promote and enhance the establishment of integrated medicine, in the form of seamless incorporation of conventional and complementary health strategies into a new holistic approach towards health care.

As Main Contractor and Project Manager, PSSB, under the supervision of the Ministry of Health, is required to work with various partners in ensuring the provision of a niche, state-of-the-art database on T/CM based on validated, peer-viewed research information and evidence-based format for policy making, clinical practice, research and trade development. The Info Hub will deploy the latest database technology and content administration tools to allow real time access.
