NATIONWIDE UNAFFECTED BY FLOOD AND WILL  
CONTINUE AS USUAL**

**SHAH ALAM, 20 DECEMBER 2021** – Pharmaniaga Berhad (Pharmaniaga) assures the public that all its warehouses and logistics operations are safe and unaffected, and will continue to operate as usual despite the severe impact of the flood that occurred in the Klang Valley over the weekend.

An emergency plan has been activated and although some roads might not be accessible due to the flood, alternative routes have been identified to ensure all orders for pharmaceutical products by clinics and hospitals will be delivered accordingly.

Back-up manpower has also been called in to assist the operations as some of the existing warehouse teams were displaced by the flood. The affected employees and families have been evacuated safely and placed temporarily at nearby accommodations, fully taken care of.

Since yesterday, Pharmaniaga has extended assistance to various communities in Shah Alam and Klang by providing food, basic medicines and other basic necessities. More assistance will be rendered once the flood has subsided to clean the houses and help the flood victims to ease their difficulties during the challenging situation.
